OFFICIAL NEWSLETTER OF  
THE FEDERATION OF CAMERA CLUBS (NSW)

MARCH 2019

Federation of the Camera Clubs (NSW) Inc. PO Box 49 Macquarie Fields NSW 2564 [www.photographynsw.org.au](http://www.photographynsw.org.au)

## Editor's Message–

It is March, and clubs will be back meeting together, sharing their images, and video's at club meetings. Yes Videos. We have a number of video clubs that are now members of the Federation of Camera Clubs.

My aim as editor is not only to make you aware of photographic events and competitions, but to report information on what individual clubs are doing and any special news that they would like the photography community to know about. To do this I need feedback from your clubs so that I can included the information in F/Stop.

I would be great if clubs can send me anything they would like included, be it a future event, reports on a special event or outing, or news of achievements by a member of your club that you would like made known. Send information you would like included, with your contact details to [fccfstopeditor@gmail.com](mailto:fccfstopeditor@gmail.com) .

Thanks to Allan Hitchell for information on future photography opportunities. Allan compiles a list of events for the year ahead, which I use as the basis for the F/Stop events listing. At the moment it is possible to see Alan's Photographic Excursions – 2019 list by going down the blog section on the home page of the Pennant Hills Photography Club at <https://pennanthills.myphotoclub.com.au/>

## TOP SHOT 2019

Entries for Top Shot are now open. You can enter by going to the FCC website where you will find all the information on the sections, conditions and cost per section. The link to the web site is <https://photonsw.myphotoclub.com.au/> . When you enter the web site click on the 'Blue FCC 2019 TOP SHOT button' to take you to the area where you can access the competition details and enter the competition. . Please read the conditions and instructions carefully.

Keep the 26<sup>th</sup> of May available to attend the exhibition of the print images and projection of the digital images at St George Club. The Exhibition will be hosted by the St George Photographic Society and we thank them for their support.

## FCC ANNUAL GENERAL MEETING

The FCC annual general meeting will be held at 10:30 before the start of the exhibition. This is an opportunity to find out what the committee is doing and ask any questions you may have.

Once again it is worth noting that the present committee consists of 6 members, in a structure where there are normally 10 members participating. Although this is not an election year, we would be happy to consider members of any FCC affiliated clubs that would be willing to join the committee as an active participant. If any club has a member who is willing to join the FCC committee can I suggest that their club committee send them as delegates to the AGM, or where this is not possible, send a nomination to the FCC secretary at [fccsecretary@photographyhynsw.org.au](mailto:fccsecretary@photographyhynsw.org.au) . If you are a member of a club outside the Sydney metro area it is now possible to be involved on the committee. In the past country club members have been hindered from participating on the committee because of the distances involved to attend meetings. Now FCC committee meetings are now run electronically using ZOOM, so it is possible to participate remotely and contribute the perspective of clubs outside the metro area.

## 42ND NORTHERN ZONE CAMERA CLUBS CONVENTION

The Northern Zone Camera Club convention, this year hosted by the Nambucca Heads Camera Club, will be held on Saturday the 25<sup>th</sup> and Sunday the 26<sup>th</sup> of May, at the Macksville Ex-Services club in the centre of Macksville. This is a great opportunity for the northern clubs to get together and share their enjoyment of photography

This year the conference has presentations from a diverse range of speakers including Sharon Lamb from Scheherazade Photography, Simon Whittaker from En Vogue Wedding Photography, Derek Mobbs from Epson, Warrick Williams from Fujifilm Cameras, Chris Hewgill, surf photographer, Brendan Lee from Skyview Photography, and the keynote speaker, David Oliver

There will be a number of workshops on Saturday afternoon, or the opportunity for photography opportunities in the local area. There is also the possibility, for those willing to get up early, to do organized early morning photography at Nambucca Heads on Sunday.

To register keep an eye on the Northern Zone web site for further details and pricing, at <https://northnsw.myphotoclub.com.au/> . There will be the options for full registration for the whole conference, or Saturday only or Sunday only
