

Hello members!

The end of 2023 is almost here, and we're going out with a bang!

This year, 21 clubs entered the NSW Interclub competition with almost 1,280 images. This is the largest Interclub competition held in NSW for 6 years.

Congratulations to all who entered. It is always a great pleasure to see the variety and quality of photography our clubs are producing.

The Interclub exhibition and Award presentations were hosted this year by the Castle Hill RSL Photographic Club. Thank you to Castle Hill for organising the set up on the day. It was good to see so many clubs attending, socialising and learning from each other.

The most important lesson for Club Committees from this year's Interclub competitions is to always read the definition for each category. The Interclub judges commented that they saw many exceptional images but they had to be given the lowest score possible because those images did not fit the definition. Major problems included having human-made constructions (such as roads or houses) in the Nature category, and unnatural-looking post-processing in the Australian Landscape category.

Stay safe and happy snapping!

Michelle Kennedy

President

Z_f MAKE IT **ICONIC**

Performance to inspire.

Full-frame image quality, depth and dynamic range. Autofocus built from Deep Learning technology. Astounding low-light performance and image stabilisation. Crisp footage up to 4K/60p in 10-bit captured in-camera. Iconic design and tactile operation.

The Z_f is designed to support you wherever your creative exploration takes you.

Congratulations to our all the winners for Interclub 2023.

Thank you to everyone who entered and
attended Interclub 2023
Start thinking about your shots for 2024!

Photo kindly provided by Mr S.K. Cheung of the Australian Horizon
Photographic Club.

Hosting the 2024 Interclub or Top Shot Exhibitions?

Is your club interested in hosting the NSW Interclub or Top Shot Exhibitions in 2024? Hosting these prestigious events will promote your club throughout the photography community and to the wider public. Hosting involves organising a venue where winning entries can be exhibited, providing display stands and a projector so winning entries can be displayed, promoting the exhibitions to your local media, and welcoming visitors on the exhibition day. The FCC will work closely with you to support your efforts. It's just like running a club meeting – but one attended by photographers from across the state! In recent years, Top Shot and Interclub exhibitions have been hosted by camera clubs in Wollongong, the Central Coast and Sydney. For more details, please contact nswfccsecretary@gmail.com.

Congratulations!
